About Adult English School

While written English has only minor differences between cultures, spoken English can be so different as to be impossible to understand.

Adult English School fills in the gap that formal English courses do not cover. Learn how to understand casual conversations. Find out the common spoken references used by most western people that aren't usually taught in formal English courses. Understand phrasal verbs, idioms, slang and general conversational English expressions.

**Learn everyday
conversation expressions**

And best of all, you learn in a fun informal atmosphere.

Adult English School has several courses available.

English Study Tour Course

Business English Conversation Course

General English Conversation Course

IELTS Preparation Course

We also have private English tutors available. Please visit our website at :
